Every activity sponsored by this church is carefully planned and adequately supervised by mature adults. However, even with the best of planning and precaution, unforeseen events can occur. By signing this form, the parent or guardian agrees to assume and accept all risks and hazards inherent in church-related social activities. They also agree not to hold this church or its employees or volunteer assistants liable for damages, losses, or injuries to the person or property undersigned. The parents or guardians understand that they are signing for the minor listed on this form and the signature is for both a medical and liability release.

On the back side of this release are the Guidelines adopted by Calvary Church of Wayland. Also in signing this release you and your child are stating that you agree with these guidelines and will cooperate with the leaders of various ministries in resolving behavior problems with your child should the need arise.

"In the event that I cannot be reached in an emergency during the dates specified on this form, I hereby give my permission to the church leadership to secure proper treatment for my son or daughter as deemed necessary. # DISCIPLINE GUIDELINES

- (1) **All leaders and workers are to display attitudes of Christian love**, respect, patience, and gratitude among those of all age groups.
- (2) **Preventive of adverse behavior is priority** so that corrective discipline will not be necessary.
  - a. **Workers are to be punctual** so that their presence will serve to assure proper behavior. Come prepared to channel the interests and energies of students in positive ways.
  - b. **An initial explanation of acceptable and unacceptable behavior** and periodic reminding as need arises will circumvent most problems.
- (3) **Minor problems** should be dealt with privately by the group leaders.
- (4) **Unacceptable behavior that is destructive, defiant, or persistent** should be handled in the following way.
  - a. **Notify those in charge.** This will allow time for wise decisions to be made.
  - b. When discipline becomes necessary, the Leaders in charge should ask the offending person to explain his or her behavior to avoid premature judgments that may not take into account all relevant information.
  - c. The leaders should give counsel for the unacceptable behavior and should encourage an apology with those involved. This should be done with prayer and scripture.
  - d. **If situations are more difficult to resolve**, the next person in authority should be contacted, and the same procedure as above followed. When the problem still cannot be resolved, or when the offense is of a serious nature, the parents should be notified to help resolve the problem. **Capable leaders can prevent or handle most behavior problems.**
  - e. Workers should never use verbal abuse, emotional abuse, or hitting, as those are not acceptable methods for controlling behavior.
  - f. **If the decision to send a child home is made**, the leader will have on file an agreement signed by the child and parent that this is acceptable. First call the parent (s) and have them come and pick up the child. If they are unable to, have two non-related adults take the child home, only if a parent or legal guardian is at home.

**NOTE: All workers with the ministries of Calvary Church of Wayland have signed these Guideline and have agreed with them. Also, each parent of the youth that we work with has agreed with these Guidelines as acceptable steps of action in the event of a behavioral problem.**
